

Accredited CO2 calibration

code: SLU015

CO2 calibration certificate issued by an accredited calibration laboratory. The calibration certificate is issued by a calibration laboratory accredited by the Czech Institute for Accreditation, o.p.s. according to CSN EN ISO/IEC 17025:2018.

The calibration certificate is internationally recognised within the framework of international multilateral agreements EA MLA and ILAC MRA.

Accredited ${\rm CO_2}$ calibration is provided by an external calibration laboratory.
